The Rossford Exempted Village Board of Education believes that the essence of public education involves the provision of programs and curriculum that meet student needs through the mission statement. The statement is considered to be of equal importance in the development and implementation of school curriculum and the planning of school programs. **The mission of the Rossford Exempted Village Schools is to educate and graduate all students to become creative, productive and respected members of society.** The Board of Education of the Rossford Exempted Village Schools promotes the development of curriculum with consideration for the mission statement, which is a developmentally sequential continuum of skills. Program development utilizing the mission statement must also include provisions for the exceptionality of children.

Curriculum and programs developed with consideration for the above mission will reflect the values of the society during the time of its inception. Therefore, program and curriculum development must remain fluid in order to respond to changes in societal values. Each of these considerations work in concert to help to produce independent, capable and confident individuals as productive participants in our society.

Core Values:

- Passionate and committed adults
- Every student's needs met
- Safe and secure environment conducive to learning
- Students' future tied to community's future
- Higher power exists
- Relevant curriculum
- Open communication
- Accountability
- Mutual respect

Vision Statement:

Rossford Exempted Village Schools is Northwest Ohio's premier unified learning community preparing and inspiring students to excellence now and in their future pursuits. The vibrant state-of-the-art campuses blend contemporary and traditional cultures as community centers.

VISITORS

Visitors, particularly parents/guardians, are welcome at school. In order to properly monitor the safety of students and staff, each visitor must report to the office upon entering the school to obtain a pass. Any visitor found in the building without a pass shall be reported to the principal. If a person wishes to confer with a member of the staff, he/she should call for an appointment prior to coming to the school in order to prevent any classroom disruptions.

Students may not bring visitors to school without first obtaining written permission from the principal.

ATTENDANCE, TARDINESS, TRUANCY

Arrivals to School

School begins promptly at 9:00 a.m. for the students. Doors to the buildings will be opened at 8:45 a.m.; we ask that students not arrive before that time. Students are to go directly to their classrooms.

Departures from School

The policy for releasing students to a parent/guardian during the school day in cases of emergency, dental or doctor appointments is as follows:

 Parents/guardians are asked to write a note explaining why a child will be leaving school. The note should be given to the child's teacher at the beginning of the school day.

 When the parent/guardian comes to pick up the child, he/she must report to the office to sign the child out of school before he/she can leave. **(No student will be released to any individual who is not listed on the emergency medical form. A picture I.D. will be required.)**

Any child who arrives after 10:30 A.M. or leaves prior to 2:00 P.M. will be counted as a one-half-day absence. Tardies to school or early releases will be counted as partial absence. The laws of the State of Ohio establish mandates relative to school attendance. **It is the responsibility of the parents/guardians to make sure the child is in school every day.** The only legal excuses for absences are:

A. Excusable, approved absences:

1. Personal illness
2. Death in the family
3. Observance of a religious holiday
4. Quarantine for contagious disease

5. Serious illness requiring student to stay home
6. Legal obligations

Notes: An excused absence does not mean that a child will not be marked absent. It is only a valid reason for being absent.

Perfect attendance means no absences or partial absences during the entire school year.

Commendable attendance means no more than one day absence **OR** two 2 partial absences.

If a student is going to be absent, parent/guardian must contact the school before 9:30 a.m. and provide an explanation. If prior contact is not possible, the parent/guardian should provide a written excuse as soon as possible. The Missing Children's Act requires that the parent/guardian call the school to report the child absent. If the school does not receive a call by 9:30 a.m., the school secretary will call the parent/guardian at home or at work. When no excuse is provided, the absence will be unexcused and the student will be considered truant.

An excused absence allows the student to make up all possible work. It is the responsibility of the student to obtain missed assignments. It is possible that certain kinds of schoolwork, such as labs or skill-practice sessions, cannot be made up and, as a result, may negatively impact a student's grade.

B. Excusable, non-approved absences:

An absence from school for personal convenience (i.e., family vacation) is not provided for under attendance laws of Ohio. A form requesting absence from school for personal convenience is available from the office and must be completed by the parent/guardian at least one week in advance of absence. Teachers may, but are not required to, prepare assignments of very general nature for students when taking a convenience absence.

C. Truancy, unexcused absences:

Any student who is absent from school for all or any part of the day without a legitimate excuse or parent/guardian's knowledge shall be considered truant and the student and his/her parents/guardians shall be subject to the truancy laws of the state, with notification sent to the Wood County Courts.

No credit shall be given for any schoolwork not completed as a result of truancy or unexcused absence.

D. Tardiness/early dismissals

Promptness must be exercised when arriving to school. The school buildings are open at 8:45 and students are expected to be in their classrooms at their desks at 9:00 when the final bell sounds. A student's attendance at the end of the school day is viewed as equally important.

A student accumulating three or more tardies or early dismissals in any one quarter may be assigned a detention, Saturday School or forfeit recesses to make up the time.

E. Excessive absences

When a student accumulates excessive absences the following procedures will be followed:

-  Five (5) days: A parent education information letter is sent to the parents.
-  Ten (10) days: A letter is sent to the parents. A doctor's excuse will be required for each additional absence.
-  Fifteen (15) days: A mediation conference will be scheduled with the parents.
-  Twenty (20) days: The student is referred to the Wood County courts.

BICYCLES

Students will be allowed to ride bicycles to school. * To do so, however, we must have a note of parent/guardian approval turned in to the school office and approved by the principal. The note will be good for the entire school year, if it is so stated.

This is a privilege that can be revoked at any time. Students are to park their bicycles in the bike rack and secure them with a chain or cable lock.

*NOTE: The exception to the above is for Glenwood School. Because of its dangerous location, NO students will be permitted to ride bicycles to Glenwood.

CAFETERIA

The Rossford elementary school cafeterias offer a hot lunch to pupils who wish to purchase their lunch (breakfast also). Students may buy their lunch or milk daily or purchase a weekly ticket that is good for five lunches. These prices are subject to change. Applications for free and reduced lunches are available in the school office.

Daily and weekly lunch tickets are purchased in the cafeteria. Please make sure your child knows that he/she should write his/her name, and the teacher's name, on the five-day ticket so that it can be returned if

lost. Money for extra servings or special treats, as well as lunches, will be paid directly to the cafeteria cashier. **Please be sure your child has his/her name on his/her lunch box.**

Please note: Students are encouraged not to charge lunches. However, students will be allowed to charge one lunch if they should happen to forget their sack lunch or lunch money. No further borrowing will be allowed until the I.O.U. has been paid. If the student forgets his/her lunch or money and still owes money to the cafeteria, he/she will be allowed to call home so that a lunch can be brought to school. If no one can be reached, the students will be given a peanut butter sandwich and a carton of milk.

CHANGE OF ADDRESS, TELEPHONE, JOB, HEALTH OF CHILD, ETC.

It is imperative that the school be kept informed of changes that would affect our ability to contact you either for routine matters or in an emergency. Please keep the school informed.

CHECKS

Throughout the year there may be times when you will be sending money to the school for cafeteria, weekly newspaper, supplies, etc. If you send a check, please make it payable to the ROSSFORD BOARD OF EDUCATION. Also, be sure to mark your child's name and room number on the envelope.

CHILD ABUSE POLICY

It is the policy of the Rossford Board of Education to comply with the Child Abuse and Neglect Law (ORC 2151.421) with regard to the reporting of suspected incidents of child abuse and neglect.

The law requires that all school authorities, including school supervising persons and teachers acting in an official or professional capacity, having reason to believe a child less than eighteen (18) years of age, or any crippled or otherwise physically or mentally handicapped child under twenty-one (21) years of age, has suffered any wound, injury, disability or condition of such a nature as to reasonably indicate abuse or neglect of such child, shall immediately report or cause reports to be made of such information to the Wood County Department of Welfare.

CODE OF CONDUCT

The Rossford Board of Education has adopted a code of conduct for all students in the Rossford Exempted Village Schools. **Any pupil engaging in the types of conduct either specifically or generally like the**

conduct listed below or conduct that violates local, state or federal law may result in disciplinary action including loss of privileges, referral to counselor, referral to an intervention program, detention, Saturday School, in-school suspension, out-of-school suspension, in-school suspension at the Wood County Juvenile Detention Center (JDC), police report, restitution, emergency removal from school and/or recommended expulsion.

It is the Rossford School's responsibility to provide the best educational opportunities for the students. Students have very definite obligations and duties when attending school. No student can set him/herself a course of conduct which is detrimental to the equal opportunity of others to learn or teachers to instruct. Compliance with the rules and regulations in regard to dress, conduct and respect for teachers and administration is a duty of every student.

The rules and standards set forth in this policy apply to conduct on school premises or on school buses or involving school property, to conduct off school premises that directly affect other students of the school, and to conduct at school functions of any kind. This policy does not define all types and aspects of students' behavior; however, the Board of Education and superintendent may establish written policies, rules and regulations of general application governing student conduct in all schools. In addition, each principal within his/her school may establish certain rules and regulations not inconsistent with those established by the Board of Education and the superintendent.

Note: Students who demonstrate poor behavioral attitudes may not be permitted to participate in field trips, special programs, etc. This will be at the joint discretion of the principal and teacher.

SATURDAY SCHOOL

Students in grades 3-6 may be assigned to attend Saturday School for any of the following reasons:

- * Smoking
- * Disrespect/Profanity
- * Damaging Property
- * Late Assignments
- * Disruptive Behavior
- * Fighting
- * Drinking
- * Tardiness
- * Theft

A Saturday School assignment may range from 2-4 hours in length, depending upon the infraction, severity and frequency. Any student who fails to attend an assigned Saturday School will automatically be assigned two Saturday School dates. Students are required to bring schoolwork or a book to read. No noneducational

activities will be permitted. Students who are disruptive and/or violate any of the rules will be dismissed and immediately assigned two Saturday School assignments.

It is the parent's/guardian's responsibility to provide transportation to and from Saturday School.

- A. **AIDING OR ABETTING:** If a student assists another student in violating any school rule, they will be disciplined and may be subject to suspension or expulsion. Students are expected to resist peer pressure and exercise sound decision-making regarding their behavior.
- B. **ATTENDANCE:** All students enrolled in the Rossford Exempted Village School District are required to attend school daily. Students are required to attend all regularly scheduled classes. Students are required to remain on school grounds during school hours unless arrangements have been made between the parent/guardian and the school.
- C. **DISRUPTION OF THE EDUCATIONAL PROCESS:** Any actions that interfere with the educational process are unacceptable. Repeated acts of disruption will result in disciplinary action.
- D. **DRESS CODE:** Members of the Rossford Board of Education and its administrative and teaching staff believe that there is a definite correlation between student dress and student conduct.

The primary objective of maintaining standards of dress and grooming is to prevent possible disruption of the educational environment by permitting or condoning extremes that would negatively affect the learning climate. Styles of dress and grooming constantly vary, but by allowing for such changes, the school believes a minimum expectancy of dress will enhance the understanding of what is expected of students by parents/guardians, faculty and administration.

Fashion styles many times are not conducive to a proper educational environment. It is the responsibility of the parents/guardians to see that their child/children are appropriately dressed for safety, weather conditions and in good taste.

The Board of Education is aware that these standards cannot incorporate all variations of dress within them, but the following standards are established to promote the general welfare of all students in the Rossford Schools:

1. Proper undergarments must be worn and not visible.

2. See-through tops, midriff exposure, halter or tube tops, bare backs are not acceptable. Tank tops, spaghetti-type straps, muscle shirts and similar type garments are prohibited.
3. No hats, bandannas, or scarves shall be worn within the school building.
4. Students are expected to practice good grooming practices through frequent bathing, using deodorants and wearing clean clothing.
5. Shorts will be permitted to be worn throughout the school year. **Students will participate in all school activities (including recess) as they are dressed.**
 - Cut-off pants of any type will not be permitted.
 - Shorts must be hemmed or cuffed.
 - Length, (mid thigh), fit and style of shorts can be considered disruptive in a school setting. This includes, but is not limited to, swim trunks, short shorts, spandex or biker shorts and combinations of shorts. Parents/guardians will be contacted if length of the shorts is not appropriate.
6. Slacks and jeans may be worn if they have no holes. Pants are expected to be worn at the waist, not down along the hips.
7. Shoes, sandals, boots, tennis shoes and moccasins are acceptable. Socks are required to be worn with shoes, except canvas-type shoes or sandals. Shoes should be appropriate for your child's participation in gym and recess activities. Example of unsafe shoes: clogs, heels, thongs, flip-flops, roller shoes, etc. Bare feet are prohibited.
8. Students will not be permitted to wear jewelry, buttons, badges, patches or clothing that pertain in any way to drugs, alcohol or tobacco. Profanity and obscenity on any jewelry, buttons, badges or clothing will be prohibited. Articles of clothing/jewelry, which are patently offensive to individuals or groups of individuals, wallet chains or jewelry with studs or spikes are prohibited.
9. Hoops and/or dangling earrings are discouraged for safety reasons. Also, articles of clothing and jewelry which may be considered a safety threat is prohibited.
10. Students may not color their hair unusual colors.

shall not possess, use, transmit, conceal, sell or exhibit the use of drugs, hallucinogens, volatile chemical, a counterfeit controlled substance or alcohol while on school property or at a school-sponsored activity. Violation of this rule will carry an automatic suspension from school. Students who must have prescription drugs in their possession shall notify the office on entrance into the school. A student may not consume or use any of the above prior to attending school or a school-sponsored activity (home or away). If the odor of alcohol is detected, the student will be considered in violation of this rule. This regulation also applies to a student's presence on school property at any time. A student who is selling or dispensing drugs, hallucinogens, volatile chemicals, a counterfeit controlled substance or alcohol while on school property, or at a school-sponsored activity, may be expelled from school and a complete report of the incident shall be filed with the police department of the City of Rossford/Perrysburg Township.

- F. EXTORTION: Extortion is the use of threat, intimidation, force or deception to take, or receive something from someone else.

FAILURE TO COMPLY: Students shall obey all lawful instructions of administrators, teachers, substitute teachers, student teachers, teachers' aides, bus drivers and all other school personnel who are authorized to give such instructions during any specified period of time when students are subject to the authority of such personnel.
- H. FALSE ALARMS AND FALSE REPORTS: A false emergency alarm or report endangers the safety forces that are responding, the citizens of the community and the persons in the building. What may seem like a prank is a dangerous stunt.

Every individual has the right to come to school without fear of demeaning remarks or actions. This includes any speech or action that creates a hostile, intimidating, or offensive learning environment, and includes harassment online by e-mail, in chat rooms, or other written media.

Sexual Harassment in any form including, but not limited to, verbal, nonverbal, or physical contact will not be tolerated. Harassment regarding a person's gender, ethnic background, religious beliefs or disability also represents a violation of the Code of Conduct.

- O. PROFANITY OR ABUSIVE LANGUAGE: A student shall not use any profane or abusive language by verbal or written means, or by gestures, on school premises, on any school vehicle, or at any school sponsored activity, function or event.
- P. PUBLIC DISPLAYS OF AFFECTION: Students demonstrating affection between each other are not acceptable.
- Q. SMOKING AND TOBACCO: Smoking and tobacco usage are a danger to a student's health, the health of others, and against the law. A student shall not possess use, transmit, conceal, or show evidence of use of tobacco while on school property or at a school sponsored activity.
- R. TECHNOLOGY AND NETWORK ACCESS: Rossford Exempted Village School District provides students with access to computer equipment, software and network services. These tools are to support learning related to the district curriculum. Devices that deliver an electronic charge, as well as any devices that expel offensive or harmful gases are not permitted (ex. Zapping devices, stink bombs). Possession/display of devices, equipment or any other article whose purpose is related to possible violations of school rules or criminal law is prohibited.
- V. ACADEMIC MISCONDUCT: including but not limited to cheating, plagiarism, and transmission of unauthorized academic information, will result in NO credit, and may be subject to disciplinary action.

All procedures involving emergency removal, suspension and expulsion will be directed at protecting the rights of the student under Ohio Law and the Rossford Board of Education Policy. A violation of any item in the preceding Code of Discipline may result in immediate suspension and/or expulsion. (Board Policy 5500)

SEARCH AND SEIZURE

Search of a student and his/her possessions, including vehicles, may be conducted at any time the student is under the jurisdiction of the Board of Education if there is a reasonable suspicion that the student is in violation of the law or school rules. A search may also be conducted to protect the safety of others. All searches may be conducted with or without a student's consent.

Students are provided lockers, desks and other equipment in which to store materials. It should be

clearly understood that this equipment is the property of the school and may be searched at any time. A reasonable suspicion of the need for a search is all that is necessary. Locks are to prevent theft, not to prevent searches.

Anything that is found in the course of a search that may be evidence of a violation of the law or school rules may be taken and held or turned over to the police. The school reserves the right not to return items that have been confiscated.

VIDEO SURVEILLANCE AND ELECTRONIC MONITORING

In order to promote student and staff safety, and deter unauthorized access and destructive acts (e.g., theft and vandalism); in order to protect Board property, promote security and protect the health, welfare and safety of students, staff and visitors, the Board of Education authorizes the use of video surveillance and electronic monitoring equipment on school property, and in school buildings and school buses. Information obtained through video surveillance/electronic monitoring may be used to identify intruders and persons breaking the law, Board policy, or the Student Code of Conduct (i.e., it may be used as evidence in disciplinary actions and criminal proceedings).

DUE PROCESS RIGHTS

Before a student may be suspended, expelled, or permanently excluded from school, certain procedures must be followed:

A. Suspension from School

When a student is being considered for a suspension, the administrator in charge will notify the student of the reason. The student will then be given an opportunity to explain his/her side. After that informal hearing, the principal will make a decision whether or not to suspend. If a student is suspended, he/she and his/her parents/guardians will be notified, in writing within one day, of the reason for and the length of the suspension. The suspension may be appealed, within ten days after receipt of the suspension notice, to the principal. The request for an appeal must be in writing.

During the appeal process, the student is allowed to remain in school unless safety is a factor. If that is the case, the student shall be immediately removed under the Emergency Removal Procedure.

When a student is suspended, he/she will be expected to complete daily assignments during the period of suspension.

Any learning that cannot be made up such as labs, field trips, skill-practices, and the like, or any learning that the student chooses not to make up, may be reflected in the grades earned.

B. Expulsion from School

When a student is being considered for expulsion, the student will receive a formal letter of notification addressed to the parents/guardians. Students being considered for expulsion may or may not be removed immediately. A formal hearing is scheduled with the superintendent during which the student may be represented by his/her parents/guardians, legal counsel, and/or by a person of his/her choice.

Within ten days after the superintendent notifies the parents/guardians of the expulsion, the expulsion can be appealed, in writing, to the Board of Education. The appeal will also be formal in nature with sworn testimony before an official(s) designated by the Board of Education. Again, the right to representation is available. All opportunity to earn grades or credit ends when a student is expelled. If the expulsion is upheld, the next step in the appeal process is to the Court of Common Pleas.

C. Discipline of Students with Disabilities

Students with disabilities will be entitled to the rights and procedures afforded by the Individuals with Disabilities Education Act (I.D.E.A.) and the Americans with Disabilities Act (A.S.A.), or Section 504 of the Rehabilitation Act of 1973.

COMMUNICABLE DISEASES

Because a school has a high concentration of people, it is necessary to take specific measures when the health or safety of the group is at risk. The school's professional staff has the authority to remove or isolate a student who has been ill or has been exposed to a communicable disease or highly transient pest, such as lice.

Specific diseases include diphtheria, scarlet fever, strep infections, whooping cough, mumps, measles, rubella, and other conditions indicated by the local and state health departments.

Any removal will be only for the contagious period as specified in the Ohio Department of Health's guidelines.

Conjunctivitis (Pink Eye)

Symptoms usually include matting of the eye, inflammation and discharge from the eye. The child may return to school twenty-four (24) hours after antibiotic treatment has begun.

MEDICATION

Skin Lesions

Children suspected of having impetigo or ringworm should not be in school until all lesions are healed or until a written note from a physician to the contrary is produced.

Temperature

A child with an oral temperature of 99.6 or more will be sent home. **He/she should not return to school until the temperature has been normal for twenty-four (24) hours.**

Head lice

If the problem is detected while in school, the child will be sent home. He/she will be permitted to return to school after treatment has been completed and all nits have been removed. The child will be checked by school personnel prior to reentering school. We follow the Ohio Department of Health's guidelines for a nit-free environment.

CONFIDENTIALITY OF MEDICAL INFORMATION

It is important that the school nurse know your child's medical and psychosocial history. Disclosure of this information is given only to school personnel who care for your child. This disclosure is for the child's safety and health and is protected by the Privacy Act. Only school staff and the child's parents/guardians have access to the records.

NON-CASUAL CONTACT COMMUNICABLE DISEASES

In the case of noncasual-contact communicable diseases, the school still has the obligation to protect the safety of the staff and students. In these cases, the person in question will have his/her status reviewed by a panel of resource people, including the County Health Department, to ensure that the rights of the person affected and those in contact with that person are respected. The school will seek to keep students and staff persons in school unless there is definitive evidence to warrant exclusion.

Non-casual contact communicable diseases include sexually transmitted diseases, AIDS (Acquired Immune Deficiency Syndrome), ARC-AIDS Related Complex, HIV (Human-immunodeficiency), Hepatitis B, and other diseases that may be specified by the State Board of Health.

As required by Federal law, parents/guardians will be requested to have their child's blood checked for HIV and HBV when the child has bled at school and students or staff members have been exposed to the blood. Any testing is subject to laws protecting confidentiality.

The Rossford Board of Education's policy concerning the administration of medication to students is based on Ohio law.

1. Prescription Drugs

An administration of drugs request form **must** be completed and signed by the attending physician with the date, student's name, dosage and time of intervals.

The medication must be in the original container with the student's name and instructions clearly stated on the outside. **(Prescription drugs not in their original container will not be administered.)**

2. Inhalers

Ohio law permits students to carry asthma inhalers with the written consent of the students, physician, and parent. The completed authorization form must be on file in the school clinic.

3. Nonprescription Drugs

An administration of drugs request form must be completed and signed.

The student's name and instructions **must** be clearly stated on the container or package.

Parents/guardians may come to the school and administer medication to their child. Should you choose this option, please come to the office when you want to administer medication; we will call your child from the classroom.

CONFERENCES

Conferences will be scheduled with each child's parents/guardians in grades kindergarten through six on an assigned day in the fall. Parents/guardians will be permitted to sign up for the conference during the school's Open House at the beginning of the school year. Additional conferences will be scheduled throughout the school year at the request of the teacher and/or parent/guardian.

DISMISSAL

School dismisses at 3:30 p.m. and students are requested to go directly home or board the school bus. If a student is staying after school, parents/guardians will be contacted by the student or the teacher. When your child is to go somewhere other than home after school, you **MUST** send a note with your child providing us with the information.

FIELD TRIPS

Class field trips are a wonderful means of enhancing our school curriculum. Students are expected to keep up with their daily schoolwork and are required to exhibit appropriate behavior when participating in a field trip. Students who choose not to follow the required rules/regulations may jeopardize their eligibility to participate in field trips.

Parents/guardians are required to fill out a field trip permission form each time their child takes a trip. This form **must** be returned to the teacher before the child is permitted to participate.

HOMEWORK/ASSIGNMENT POLICY

The assignment of homework can be expected. Student's grades will reflect the completion of all work, including outside assignments. Homework is also part of the student's preparation for the proficiency tests and graduation.

Homework will not be used for disciplinary reasons, but only to enhance the student's learning.

Not completing homework may result in loss of recess, a detention, or a Saturday School.

INJURY/ILLNESS

All injuries must be reported to a teacher or the office. If minor, the student will be treated and may return to class. If medical attention is required, the office will follow the school's emergency procedures.

Students who become ill during the school day should request permission from the teacher to go to the office. The office will determine whether or not the student should remain in school or go home. No student will be released from school without proper parental/guardian permission, nor be released to any person not listed on the emergency medical form.

State law requires that all students must have an emergency medical card completed, signed by a parent or guardian, and filed in the school office. A student may be excluded from school until this requirement has been fulfilled.

Students with specific health care needs should submit those needs, in writing and with proper documentation by a physician, to the school office. All medications, prescribed and non-prescribed, are to be delivered to the office and taken only with adult supervision. The nurse/nurse aide is available to discuss the procedure for medications and treatments. No medications or medical treatments are to take place in school without his/her knowledge.

INCLEMENT WEATHER GUIDELINES

When foul weather conditions hamper school operations, an announcement will be made over local radio and television stations (WSPD, WOHO, WCWA, WLQR).

1. Please listen to local radio and TV stations for announcements. Please Do Not Call the School Office.
2. At the beginning of each year an Early Dismissal Form must be completed and returned informing the school of alternate plans with your child in case of an emergency dismissal. Please make plans with your child/children as to what they are to do if they are dismissed early from school because of weather conditions and find no parent/guardian at home.
 - **Indoor recess will occur if the actual temperature or the wind chill is ten degrees or below.**

B. Tornado and Severe Weather Conditions

1. The Rossford Police shall notify the central office when tornado or severe weather conditions exist in the area. The central office shall notify each school office of reported weather conditions. Other sources of weather alert notifications could include radio and TV stations, ham radio operators and civil defense authorities.
2. Each school office shall have the responsibility of notifying faculty and students of weather conditions by messenger to the classrooms, public address system or written communication.
3. Normal classroom procedures will be continued when condition WATCH exists.
4. Building take-cover procedures will be followed when condition WARNING is in effect.
5. The weather bureau issues a Tornado Watch to give advance notice that tornadoes may occur in our locality. This gives us time to make preliminary plans for moving to a safe shelter quickly if a tornado is sighted. The Tornado Warning is an urgent announcement that a tornado has been reported and warns us to take immediate safety precautions. Your radio is the best source of information during severe weather conditions, as school announcements regarding early or late dismissal will be called to the local radio stations. Please do not call the school office. Help keep telephone lines open.

6. Bus drivers have been instructed as to proper procedures if a tornado, or severe weather condition, is encountered while driving. If Tornado Warning or severe weather conditions exist at dismissal time, the central office shall determine whether (or when) bus runs will be made.
7. It is always the parent/guardian's prerogative to pick up his/her own child/children in the event of early or late dismissal. The parent/guardian must go to the school office and a messenger will be sent for the child/children. Under NO circumstance shall a child be picked up directly from the classroom or from the take-cover location.

LOST AND FOUND

The lost and found area is in the hall outside the main office. Students who have lost items should check there and may retrieve their items if they give a proper description. Unclaimed items at the end of each semester will be given to charity organizations.

Please MARK and LABEL all of your child's belongings.

NOTES FROM PARENTS/GUARDIANS

Many times during the school year you are asked to send a note to school for one reason or another. Please understand that the purpose behind each note is for the personal welfare of your child. The following items require notes from home:

1. Reason for absence
2. To ride a bicycle to school (does not include Glenwood)
3. To ride home on another bus at the end of the school day
4. To get off the bus at a stop other than the designated home stop
5. To remain with person attending conference/meeting at school
6. If student is going to leave school early for a doctor's appointment, etc.
7. If your child is a bus rider and you are going to be picking him/her up at the end of the day

PARENTS' CLUBS

Parents' Clubs exist for the purpose of promoting the welfare of children. They sponsor many educational opportunities for our youngsters, family activities and provide gifts to our schools.

All parents/guardians of students attending the Rossford

Schools are automatically members, and we encourage you to become an active participant in the activities of your organization.

PROGRESS REPORTS

The primary goal of the progress report is to communicate to both parents/guardians and students the quality of the student's achievement and overall school performance. Quarterly progress reports to parents/guardians, coupled with parent/guardian and teacher conferences, assist parents/guardians in arriving at a realistic and comprehensive picture of their child's progress.

Reporting Periods: The school year is divided into four grading periods. The grade card envelope is to be signed by the parent/guardian and returned after each interim and grading period, except the final grade card.

Note: Music, art and physical education reports are issued twice a year, in January and in June.

Interim Progress Reports

The purpose of interim progress reports is to communicate to the parents/guardians how their child is progressing halfway through the quarter, providing ample time for student improvement before the quarter report.

Interim reports will be sent home midway (fifth week) through the quarter to all parents/guardians whose child is having difficulty and is in danger of receiving a D or an N for an Academic Content grade in one or more areas. Only areas needing improvement will be checked. Interim reports may be sent when a student is working below capacity, but not necessarily doing poor or failing work.

The elementary schools have implemented standards-based progress reports. Since all curricula are based upon the Ohio Academic Content Standards, administrators and teachers feel that it's important to communicate student progress towards these standards and indicators to parents and students. The district is aligned with all three buildings using the same progress report at each grade level. In addition, the district will implement Progress Book, an electronic gradebook to track student progress and print student reports. Parents are able to log onto a website to view their child's assignments and progress.

Students in grades K-3 will be evaluated according to student progress towards their grade level indicators using the following criteria:

- **Secure** = Meets grade level requirements and expectations

- **Developing** = Develops understanding of the concepts/skills with practice and support from teachers, peers and parents
- **Needs Improvement** = Experiences difficulty and requires consistent practice and support, or may not be developmentally ready for these concepts/skills

Students in grades 4-6 will receive two letter grades in each content area. They will receive both an **Academic Content** and **Work Ethic** grade in order to communicate student progress more accurately.

- The **Academic Content Grade** will be based upon student performance on grade level indicators.
 - **A** = 92-100% Advanced Achievement
 - **B** = 82-91% Proficient Achievement
 - **C** = 70-81% Basic Achievement
 - **N** = 0-69% Needs Improvement
- The **Work Ethic Grade** will be composed of student effort, homework, class participation, etc.
 - **A** = Shows superior responsibility for learning
 - **B** = Shows proficient responsibility for learning
 - **C** = Shows inconsistent responsibility for learning
 - **N** = Does **not** show responsibility for learning
- **Grade level indicators** are a subcomponent of the *Academic Content Grade* and will be assessed using similar criteria as grades K-3.
 - **Secure** = Meets grade level concept/skill expectations independently and consistently
 - **Developing** = Develops understanding of the grade level concept/skill with some errors
 - **Needs Improvement** = Experiences difficulty in understanding grade level concept/skill

PROMOTION, PLACED, RETENTION POLICY

Promoted – Student has fulfilled grade level standards and expectations OR student has fulfilled individualized education goals.

Retained – Student did not fulfill grade level standards

and expectations. Retention has been recommended by the intervention team. Communication has occurred with parents throughout the year and prior to final progress report.

SPECIALISTS AND SPECIAL SERVICES

The Rossford Schools offer many special services, and several specialists are employed to work with our students. Time schedules are subject to change due to weather, assemblies, etc.

Each elementary building has an art, music, and physical education teacher.

Our reading specialists work with small groups of students who exhibit a need for additional skill development in reading. They also administer individual tests to all incoming students and arrange for their reading group placements.

Our library aides will provide our students with library skills instruction and provide them with the opportunity to check out books every other week. In addition to this program, many classes visit the Rossford Public Library.

Our computer teacher/coordinator provides instruction in computer education, with the classroom teacher reviewing and providing additional practice on the skills learned the week before.

Each building has learning disabilities teachers to assist students who have special needs in certain academic areas. The assistance consists of individual and/or small group instruction according to the student's Individual Educational Plan (IEP).

Our gifted education teacher/coordinator provides enrichment learning activities for students meeting the criteria for entrance into the program, Gifted Education Advancing Rossford Students (G.E.A.R.S.). The G.E.A.R.S. program is housed at Eagle Point Elementary School.

The Rossford school psychologist evaluates all students who have been referred for possible academic, social or behavioral difficulties. The building assistance teams or parents/guardians may make referrals.

A guidance counselor provides services to all three elementary schools. The purpose of our guidance program is to help each individual student achieve his/her highest growth mentally, emotionally and

socially. The counselor tries to do this in several ways:

1. Helping our students feel at home in our school with teachers and friends.
2. Identifies special needs of our students and works with small counseling groups.
3. Provides classroom guidance activities to address special needs.
4. Welcomes the opportunity to talk things over with any student, parent/guardian or teacher.

 Our speech and hearing therapist works with students who have been evaluated and identified as having special needs in the area of language development or speech and hearing therapy. Referrals for testing may be made by the teacher or parent/guardian.

 Our school nurse and aides conduct various screenings throughout the school year, such as vision, scoliosis, head lice, measurements of weight/height, etc., and keeps all the immunization records up to date.

STUDENT ASSESSMENT

To measure student progress, students will be tested in accordance with the state standards and district policy.

Good attendance is stressed during this time because it is very difficult to complete all the make-ups that might be necessary.

Depending on the type of testing, specific information and/or parent/guardian consent may need to be obtained. The Rossford elementary schools will not violate the rights of consent and privacy of a student participating in any form of evaluation.

STUDENT RECORDS

There are two basic kinds of records, directory information and confidential records.

 Directory information can be given to any person or organization for non-profit making purposes when requested, unless the parents/guardians of the student restrict the information, in writing, to the principal. Directory information includes **a student's name; address; date and place of birth; photograph; major field of study; participation in officially-recognized activities and sports; height and weight, if a member of an athletic team; dates of attendance; date of graduation; awards received; honor rolls; or scholarships.**

 Confidential records contain educational and

behavioral information that has restricted access based on the Family Education Rights and Privacy Act and Ohio law. This information can only be released with the written consent of the parents/guardians. The only exception to this is to comply with State and Federal laws that may require release without consent.

Students and parents have the right to review all educational records generated by the school district, request amendment to these records, insert addendum to records, and obtain copies of such records. There may be a cost involved for copying records. If there is a need to review records, please contact the principal in writing, 24 hours in advance, stating the records desired. At that time, you will be required to provide proof that you are the child's natural parent/guardian. The records will be collected and an appointment will be made with the appropriate persons present to answer any questions asked.

TELEPHONES

Office telephones are not to be used for personal calls. Except in an emergency, students will not be called to the office to receive a telephone call.

Please help your child/children in remembering what should be brought to school each day so that it is not necessary for them to use the telephone.

If your child must use a cell phone, it must be turned off during the school day and in the student's bookbag. Cell phones may not be taken to the restroom, lunch or recess. Camera phones may not be used to take pictures without permission of the teacher or cause disruption to the school process.

The school accepts no liability for the loss, theft, or damage to personal cell phones.

Misuse of cell phones may result in consequences including detention, suspension, or confiscation of the device.

TEXTBOOKS AND WORKBOOKS

Material Fees:

The Rossford Board of Education charges school fees to help cover the costs of consumable materials (workbooks, paper, art materials). Such fees or charges are determined by the cost of materials and shipping/handling. The district does not make a profit through any such fees.

Appropriate fees for materials, supplies and consumable materials will be approved yearly by the Board of Education.

School fees are due by the 2nd week of October.

Fines:

Fines will be assessed when students fail to return borrowed materials when due or damage materials.

TRANSFER (In Or Out of District)

When you are transferring your child/children to another school, please notify the Rossford School that they are currently attending. The next step is to register them at the new school. The new school will then request your child's/children's records from Rossford. A current grade card, special class placement or other pertinent information about your child is always helpful when registering at a new school.

TRANSPORTATION

Students who are riding to and from school or who are on school-related field trips on transportation provided by the school are required to follow some basic safety rules. This applies to school-owned buses as well as any contracted transportation that may be provided.

The driver is responsible for student safety and may assign seating or direct the student in any reasonable manner to maintain that safety.

A. Previous to Loading

Each student shall:

1. Be on time at the designated loading zone.
2. Stay off the road at all times while walking to and waiting for the bus.
3. Line up single file off the roadway to enter.
4. Refrain from crossing a highway until the bus driver signals it is safe.
5. Go immediately to a seat and be seated.
6. Behave appropriately at the bus stops; horse-play is not permitted.

It is the responsibility of the parent/guardian to have the child/children at the designated bus stop on time. The bus will not wait.

B. During the Trip

Each student shall:

1. Listen to the bus driver.
2. Remain seated while the bus is in motion.
3. Remain quiet at railroad crossings.
4. Not bring pets or any animals to or from school on the bus.
5. Not litter in the bus or throw anything from the bus.
6. Keep head, hands, arms and legs inside the bus at all

times.

7. Keep books, coats, and all other objects out of the aisle.
8. Parents/Guardians will be held responsible to make restitution for any damage to the bus created by their child/children.

C. Leaving the Bus

Each student shall:

1. Remain seated until the bus has stopped.
2. Cross the road, when necessary, at least ten (10) feet in front of the bus, but only after the driver signals that it is safe.
3. Be alert to a possible danger signal from the driver.

The bus driver will not discharge students at places other than their regular stop at home or at school unless he/she has proper authorization from school officials or a signed note from parents/guardians.

D. Penalties for Infractions

A student who becomes a behavior problem on the bus shall be disciplined in accordance with the Student Discipline code and may be deprived of the privilege of riding on the bus. A special bus disciplinary form is completed by the driver indicating the rule infraction and given to the transportation supervisor who, in turn, will discuss the situation with the student and a copy of the bus conduct report will be sent to the parents/guardians. The transportation supervisor will inform the principal of any students with major conduct problems. Three minor violations, or a major violation, will lead to denial of bus privileges.

When a student is suspended from riding the school bus, it is the responsibility of the parent/guardian to provide transportation to and from school.

TOYS, SKATEBOARDS, ROLLERBLADES, ELECTRONIC GAMES

Students are not permitted to ride skateboards, rollerblades, roller shoes, scooters, and laser lights to school. These items will also not be permitted on the playground during normal school hours.

Electronic games and devices (such as pagers and PDA's) are not to be brought to school. The school will not assume the responsibility for their loss or damage, and the items may be confiscated by the principal and discipline actions may be taken. Items will be returned to parents/guardians only.
