**Help us celebrate National School Breakfast Week March 8-12.** We have added an additional choice for this month in honor of the breakfast program. Our goal is to appeal to more students in hopes that they will join us for breakfast. The cost for breakfast is **\$1.25, \$.30, or free** for students who qualify. We will be giving away prizes all week long. This is a monthly menu. We will serve 3 choices daily.
