

# Be Informed

Beginning January 1st, some changes will be made to library policies that will impact your minor child.

To support this change, we are hosting a program to assist you in making an informed decision regarding your child's internet access.

## "Positives and Negatives of Social Networking"

Presented by

**Dave Misko**

Network Engineer for Toledo Lucas County Public Library  
and Computer Forensics Specialist

**Wednesday, January 13th**

**6:30-7:30 p.m.**

**In the library's community room**
