

Appeal Procedure

An appeal by the parent is the reconsideration of the result of any part of the identification process which would include:

- Screening procedure or assessment instrument (which results in identification);
- The scheduling of children for assessment;
- The placement of a student in any program; and
- Receipt of services.

Parents should submit a letter within 30 days after any of the previously listed events to the superintendent or designee outlining the nature of the concern.

The superintendent or designee will convene a meeting with the parent/guardian, which may include other school personnel.

The superintendent or designee will issue a written final decision within 30 days of the appeal. This written notice will include the reason for the decision(s).
