

Rossford High School Dual Activity Participation Form

Many students have multiple talents and interests they wish to develop or pursue through participation in District-sponsored activities and groups. The District's policy is to encourage such participation. The following guidelines have been established for dealing with potential schedule conflicts a student could experience when participating in more than one (1) activity:

1. On the day that both activities/sports have a performance/contest, the student must participate in their primary activity/sport that day. The secondary activity/sport can only be played with advance permission from both advisors/coaches. (This includes any tournaments or competitions.)
2. You must ride the bus to and from performances/contests. (Exception: Parent may transport student to another contest the same day for competition. This must be done in advance with a signed note from the parent. Each advisor/coach must receive a copy. This is not an expectation and students are not required to participate in two events on the same day.)
3. A calendar that covers the complete season (Fall, Winter, Spring) must be completed and agreed to by the parties listed below prior to the student being cleared to be a dual participant. A copy of the calendar will be provided to each advisor/coach.
4. If a student encounters a previously-unforeseen conflict during the semester or season, s/he should inform both coaches/advisors as soon as possible in order to increase the likelihood that an accommodation can be worked out.
5. Any disputes over the participation priority will be settled by the signed agreement. High school administration may schedule a meeting with the coaches/advisors to resolve other concerns if needed. The athletic director/high school administrator will make the final decision in any disputes.
6. A student's playing time/role is not guaranteed and is at the discretion of the coach/advisor.

Please sign and date below to indicate agreement of the terms stated above for dual participation.
