April 2021

Issue 7, Volume 12

**MEALS TO GO HAS ENDED**

Monday Food Pick-up was a huge success with over 8200 meals handed out at the Jr-Sr High and 8300 distributed at Rossford Elementary.

Each site served both breakfast and lunch. Most weeks we served three meals. On the weeks that school was not in session 4 days, we served 4 or 5 meals.

Together the sites served over 90 families for a total of 220 children aged 1-18.

Existing labor was used for this process, so the program did not encounter any additional labor costs.

It helped to generate an additional \$97,000 in reimbursement revenue.

*Rossford Food Service Up-dates*

- The Jr-Sr High returns to normal serving, but with packaged items. Breakfast and lunch are now served in the cafeteria. We will be offering hot breakfast again.
- The Elementary is now serving lunch in both the cafeteria and in the gymnasium. Students are going through lines to receive their meals and lunches are tallied as they are received. Breakfast is still being served at three entry points. It is still grab n' go and taken to the classroom.
- Households have now received their second PEBT funds. There will be two more distributions for qualifying households.
- We are waiting for the release of the Lunch Equity Pricing tool to be released by the USDA. Lunch price recommendations for next year will be based on this tool. We hope to see this in May.
