A Message from Dr. Neiderhouse, Principal

Welcome to the Second Semester!

We are a few weeks into the second semester and I am proud of the improvements students have made thus far this school year. In particular since October, students have reduced their tardies to school and between classes by 27% both at the junior and senior high level. This has demonstrated students are starting to learn what it means to be "Ready" to learn! Students have also improved their behaviors as there are approximately 1/3 less behavior incidents in January than October. While we are still striving for more progress, the students are showing us they know what it means to be "Respectful" and "Responsible." If you see the pictures on page two, you will notice that students that had at least a C average and did not have a discipline referral for the first semester earned their way to a fun event in the gym filled with inflatables for a class period.

Mr. Matt Beakas
Assistant
Principal

Our parent advisory council has met three times this year and will meet again on March 6 at 6:30pm. We reviewed the December Family Survey results and plan to take the next step to create actionable steps to start planning for next school year. We welcome other families that want to join us. If you are interested, please email me.

Mr. Bryan
Skrzyniecki
Assistant
Principal

We want to acknowledge a couple of staff changes that have occurred in January. Mrs. Wehrmeister, high school counselor, resigned due to personal reasons and Mrs. Wagner, 7th grade teacher, retired on January 31. Both positions will be filled with long-term substitute positions to finish off the year. Both have served the district and students for many years and we will miss them both immensely!

Mr. Bryan Smith
Athletic Director

Also by the end of this month, we will be wrapping up the winter athletic season. We encourage all of our athletes to finish the season off strong! In the coming weeks, we will email out a second semester incentive for students to continue to be in attendance and on time to school and class. This incentive will ideally create additional motivation for our students as they lock in their focus on the Ohio State Tests coming up in April. Starting on page four we want to recognize and congratulate our 2nd quarter honor roll students!

We "R" One! Go Bulldogs!

Counseling Corner

Dear Students and Families, as February unfolds, we want to remind you that your well-being is our top priority. Our counseling team is here to support you through any challenges, big or small, and to encourage you to take time for self-care and stress relief. Whether you're juggling school pressures or navigating personal changes, remember that it's completely okay to seek help, and we're always available for you. We also suggest checking out trusted online resource for teens, which offer practical advice on managing mental health. Let's make this month one of growth, resilience, and mutual support.

This website is designed for teens to provide accessible and reliable information about mental health. It explains what mental health is, discusses common issues such as stress and anxiety, and offers practical advice on managing these challenges. The site aims to empower teenagers with the knowledge to maintain their well-being and recognize when they might need additional help.

Class of 2025 Graduation – Save the Date!

The Class of 2025 Commencement Ceremony will be held on Saturday, May 31, 2025 at the Stranahan Theater at 7:00 pm. More information will be shared in the coming months.

Attendance

Please report all student absences, late arrivals, and early departures through **SafeArrival/SchoolMessenger**

With SafeArrival/SchoolMessenger, you are asked to report your child's absence in advance using any of the 3 convenient methods listed below. Parents/guardians will be contacted by phone and email via SafeArrival if student absences have not been reported by 8:45.

1. **Using your mobile device:** download and install the **SchoolMessenger app** from the Apple App Store or the Google Play Store. The icon for the app looks like the below image. The first time you use the app, select Sign Up to create your account. Select Attendance -> Report an Absence

This is what the app looks like

2. **PowerSchool Parent Portal:** Use the SafeArrival website via the SchoolMessenger link in PowerSchool Parent Portal online. Log into the PowerSchool Parent portal then scroll down and click on the SchoolMessenger link on the left.
3. **Toll-free number:** Call the toll-free number **1-844-867-6066** to report an absence using the automated phone system.

These three options are all available 24 hours a day, 7 days a week

ABOUT THE PARENT PROJECT

- The Parent Project provides activity-based instruction, support groups, and curriculum addressing the most destructive of adolescent behavior.
- With a nationwide proven track record, the Parent Project reduced juvenile crime by one third, while significantly improving both school attendance and performance in one community.

The program utilizes behavior modification approaches. Parents who have completed the course show success in dealing with children. The Parent Project will help you accomplish these goals!

HOW DOES IT WORK

- Helps parents demonstrate their love for their children
- Learn to parent without arguing with your strong-willed child!
- Teaches intervention/prevention strategies for school attendance and performance, drug and alcohol use, negative peer association, violence, and bullying
- Improves parent/child relationship
- Offers ongoing emotional and practical support for the family

PARENT PROJECT OF WOOD COUNTY

Share with other parents who are facing similar challenges!
You are not alone.

Parents participate and learn in a classroom model to manage teen behavior problems at home.

Parents receive and practice with an activity-based 218-page curriculum.

Offered various locations around Wood County each year:

- 10 week sessions typically beginning the first week of September and the first week of March.
- Cost is \$20.00. A refund is available if you attend all scheduled sessions.
- Parents meet one night per week. Each session lasts an average of 2 hours.
