National Honor Society

The National Honor Society (NHS) is the nation's premier organization established to recognize outstanding high school students. More than just an honor roll, NHS serves to recognize those students who have demonstrated excellence in the areas of scholarship, service, leadership, and character. These characteristics have been associated with NHS membership since its beginning in 1921.

The National Honor Society Pledge

I pledge to uphold the high purpose of the National Honor Society to which I have been selected; I will be true to the principles for which it stands; I will be loyal to my school, and will maintain and encourage high standards of scholarship, service, leadership, and character.

The National Honor Society Motto

The NHS motto is *noblesse oblige*, French for "nobility obligates." In broader terms, it signifies that those of high rank have the obligation to behave honorably, generously, and responsibly to others.

The National Honor Society Four Pillars

Every NHS member demonstrates all of the qualities of the Four Pillars of the National Honor Society - Scholarship, Service, Leadership and Character.
