I would like to declare my intent to participate in the College Credit Plus program. I understand that signing this form does not require that I participate during the coming school year and I may decide not to participate without consequence.

I also understand that it is my responsibility to notify my school if I do not gain admission to my selected institution of higher education or choose not to participate for some other reason.

In addition, I certify that I have received counseling about the College Credit Plus program concerning the rules and regulations for both Rossford Schools and the college, and that I understand my responsibilities, the benefits and possible risks of participating in the College Credit Plus program, including any fees assessed for failing or withdrawing from classes or failing to return books, and any possible impact on grades and graduation requirements or probation/dismissal from CCP.

I understand that Rossford EVS is not responsible for direct supervision of a student attending a CCP course including a student who leaves the high school to attend a CCP course. Rules and conditions regarding CCP courses are subject to change through ODE and Ohio legislative action.
