Rossford Food Service Up-dates

- The application verification process is underway. We must verify applications that are on file as of October 1st. We are required to pull 3% of our error prone applications, which are applications that are within \$100 per month of not being eligible. This year we were required to pull 6 six applications. Those applications have been identified, confirmed and notified. Letters were mailed to households to explain what they must provide for us to complete the verification process. Households are given 2 weeks to return the proof of income. We will send out a second notice if the information is not received by October 20th. The entire process must be completed by November 15th.
- We have started the process of re-introducing snacks to the Elementary students. We have not served snacks at the elementary since the Pandemic started. The students are excited to purchase items such as ice cream cups, Goldfish Crackers, Scooby Snacks, Cheez-Its, and Baked Chips.
- Food Service welcomes Jeanine Wilder to our department. Jeanine was hired as a cashier for our Snack Shack at the Jr.-Sr. High School. She worked in food service for Morrison Healthcare at NW Ohio Psychiatric Hospital in Toledo.
