

TOPIC: 6-8 Course Schedules and Electives

Dear RVA Junior High Students (Grades 6-8),

You will notice that additional courses have been added to your "overview" in RVA.

We created a short video to explain scheduling and courses for grades 6-8.

Students were assigned the Health (6th grade), Physical Education (7th grade), or Nutrition and Fitness (8th grade) to round out their schedule for the first semester.

Next semester, RVA students (in grades 6-8) will be required to select one elective class to add to their schedule. On December 1st, an electronic form will be sent to RVA families. This form will enable students to select their second semester elective and provide instructions for students and families who wish to switch back to the hybrid/in-person setting for the second semester. Second semester begins on January 19, 2021.

NOVA is still working to upload the appropriate course due dates and calendar information. A message will be posted when due dates have been updated. Thank you for your continued patience.

OPTIONAL: As mentioned in the video, students are able to add a fifth course to their schedule. Students who would like an additional elective added to his/her first semester schedule should email, or have his/her parents email Megan Spangler (mspangler@rossfordschools.org) to make the request. Please be sure to include the elective choice in the message. The list of courses is available through this link:

Thank you,

Megan Spangler, Director of Curriculum
