

Rossford Schools

Student Wellness and Success Fund Plan

History

Ohio's schools and districts receive funds each year to fund initiatives and wraparound services for Ohio's students. Ohio Revised Code Section 3317.25 and Ohio Revised Code Section 3317.26 outline the uses for these funds. Beginning in fiscal year 2024, districts and schools must share their plans to spend these funds on a their website.

Rossford's Plan

- **Mental Health Services**

- Rossford has hired two behavior support coordinators to help identify student needs and provide evidence-based health services.
- The District has implemented the 7 Mindsets which is a mindset-based preK-12 tier 1 learning solution that supports life skills and character development through easy-to-implement and flexible teacher-led digital curriculum that includes professional learning and coaching.
- Rossford has also made available to all students access to the Calm app as well as the Headspace app.
